Through this Request for Proposals (RFP), the City of Durham Department of Water Management (DWM) is soliciting a proposal from firms for sanitary sewer cleaning and inspection services throughout the City's collection system. The intent of this solicitation is to select a qualified contractor to provide cleaning and closed circuit television (CCTV) camera inspection of approximately 20 miles of gravity sewer lines between 6" and 48" in diameter. Cleaning and inspection of associated manholes will also be required. Contractor selection will be based on qualifications and price.

The City anticipates that at the conclusion of the RFP process, it will name one successful contractor and negotiate a final contract based on the services detailed in the RFP. Specific tasks may include, but are not limited to, sanitary sewer cleaning, flow control, CCTV sewer inspection, manhole cleaning, and manhole inspection. The selected contractor will be responsible for working closely with City staff and its representatives to ensure proper system cleaning and inspection is performed.

Proposals that are hand-delivered no later than 3:00PM on March 11, 2021 to 1600 Mist Lake Drive, Durham, NC 27704 will be considered.

Proposals that are mailed shall be sent such that they arrive on or before 3:00PM on March 11, 2021 and are addressed as follows:

Sanitary Sewer Inspection and Cleaning Services Proposal  
Harmon Henderson, PE  
Department of Water Management  
1600 Mist Lake Drive
